LETTER DATED 22 SEPTEMBER 1995 FROM THE PERMANENT REPRESENTATIVE OF CROATIA TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

With regard to the letters dated 18, 19 and 21 September 1995 from the Chargé d'affaires of the "Permanent Mission of Yugoslavia to the United Nations" addressed to you (S/1995/802, 809 and 814, respectively), and in addition to my letter dated 6 September 1995 (S/1995/770), I have the honour to inform you, on behalf of my Government, that the Croatian Army units did not launch any attacks on the territory of the "Federal Republic of Yugoslavia (Serbia and Montenegro)" at any time, as charged in the said letters.

Mr. Djokic is yet again abusing the privilege of circulating communications to the Security Council as official documents as part of a campaign of misinformation using false and unsubstantiated statements of alleged provocations by the Croatian Army against the territory of the "Federal Republic of Yugoslavia (Serbia and Montenegro)". From the enclosed map of the area in question it is evident that the locations of Gusarska Jama, Sitnica and Borovik are all located inside the territory of the Republic of Bosnia and Herzegovina.

Since international monitors are stationed in the area, pursuant to the mandate given to them under the Security Council resolution 779 (1992), my Government would highly appreciate a third-party report on the alleged incidents.

This series of letters once again indicates that the authorities of the "Federal Republic of Yugoslavia (Serbia and Montenegro)" lay claim to territory of other Member States, including the Republic of Bosnia and Herzegovina. This transpires from the letter from Mr. Djokic to the Secretary-General (A/50/352-S/1995/693 and Corr.1 and 2). Croatia, in its letter of 28 August 1995 (A/50/389-S/1995/745), requested that the "Federal Republic of Yugoslavia (Serbia and Montenegro)" officially, unequivocally and in a timely manner state that no such claim or policy of the Belgrade Government exists. To the knowledge of my Government, no such statement has yet been made.

I would kindly request your assistance in circulating the present letter and its annex as a document of the Security Council.
